The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Public Safety Complex & Municipal Facility in Fiscal Year 2027. The entity to receive funding for this project is the Town of Granite Quarry, located at PO BOX 351, Granite Quarry, NC 28072. The funding would be used to complete critical renovations and space reconfiguration of the Town Hall, which is a multi-use municipal facility that houses administrative offices as well as the Police and Fire Departments. The project is an appropriate use of taxpayer funds because it would strengthen the Town's ability to provide reliable emergency services, improve operational efficiency, and enhance public access to local government functions.

The project has a federal nexus because the funding provided is for purposes described in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S.C. §1926(a), which authorizes support for essential community facilities in rural areas.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Addison P. McDowell". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
