The Honorable Rosa DeLauro

Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Clemmons Farmers Market Permanent Facility Construction in Fiscal Year 2027. The entity to receive funding for this project is the Village of Clemmons, located at 3715 Clemmons Rd, Clemmons NC 27012. The funding would be used for construction of a permanent open-air, covered farmers market pavilion and supporting infrastructure to expand local agricultural commerce and small business development. The project is an appropriate use of taxpayer funds because it will increase small business revenue, support rural agricultural producers, expand local food access, and attract of visitors and commerce to the Village.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Addison P. McDowell".
