The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Fire Station Construction for Fiscal Year 2027. The entity to receive funding is the City of Greensboro, located at 300 W. Washington Street, Greensboro, NC 27401. The funding would be used for construction of a new fire station with increased regional capacity to manage large-scale incidents, disasters, and medical emergencies. This project is an appropriate use of taxpayer funds because it will improve public safety through quicker response times and enhance the growing communities emergency resilience.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Addison P. McDowell".
