**Re: Highway 109 Safety Improvements, Wallburg, NC. NC-06.**

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Highway 109 Safety Improvements in Fiscal Year 2026. The entity to receive funding for this project is the Town of Wallburg, located at P.O. Box 607, Wallburg, NC 27373. The funding would be used to construct a turn lane between Ray Lanning Road and Wallburg Road. The project is an appropriate use of taxpayer funds because it relieves congestion and makes critical safety improvements in a school zone in the town.

The project has a federal nexus because the funding provided is for purposes authorized by Section 133(b) of title 23, United States Code, as amended by title III of division A of the Infrastructure Investment and Jobs Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
