Re: Kesler Mill Development Project, Salisbury, NC. NC-06.

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Kesler Mill Development Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Salisbury, located at 132 North Main Street, Salisbury, NC 28144. The funding would be used to construct new roadway infrastructure to connect new housing units on the former Kesler Mill site. The project is an appropriate use of taxpayer funds because the roadway would enable access to additional affordable housing units in the community.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305 (a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Addison P. McDowell".
