The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for KEXX Fuel Farm Relocation in Fiscal Year 2027. The entity to receive funding for this project is the Davidson County Airport Authority, located at 1673 Aviation Way, Lexington, NC 27292. The funding would be used to construct a new fuel farm outside of the perimeter fence of the airport to increase fuel storage capacity and improve safety for fuel trucks. This project is an appropriate use of taxpayer funds because it will improve safety at the airport by moving the fueling facility off the active aircraft ramp while enabling the airport to proceed with further construction and development.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Addison P. McDowell".
