Re: Multimodal Traffic Safety Improvements, Kannapolis, NC. NC-06.

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Multimodal Traffic Safety Improvements in Fiscal Year 2026. The entity to receive funding for this project is the City of Kannapolis, located at 401 Laureate Way, Kannapolis, NC 28081. The funding would be used to construct curb and water drainage infrastructure along one of the main transportation corridors in Kannapolis. The project is an appropriate use of taxpayer funds because it improves drainage on the roadways and improves pedestrian and motorist safety.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Addison P. McDowell".
