The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the South Rowan EMS Station. The entity to receive funding is Rowan County, located at 130 W. Innes Street, Salisbury, NC 28144. The funding would be used to construct a new emergency medical services (EMS) station with vehicle bays designed to house multiple ambulance units, dedicated space for equipment storage, and space to support EMS personnel and emergency response operations. This project is an appropriate use of taxpayer funds because it will strengthen critical public safety infrastructure while improving emergency medical response in southern Rowan County.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Addison P. McDowell".
