The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Wilkinson Homes Repositioning Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Concord, located at 35 W Cabarrus Ave W, Concord, NC 28025. The funding would be used to replace aging public housing and modernize critical infrastructure within the City of Concord's historical Logan Community by supporting essential infrastructure components of the redevelopment, including sewer line upgrades and street improvements. The project is an appropriate use of taxpayer funds because it will strengthen neighborhood stability, stimulate economic activity, and preserve the historic legacy of the Logan Community.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. §5305(a)(2) and 42 U.S.C. §5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Addison P. McDowell".
