Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Law Enforcement Comparator Upgrades in Fiscal Year 2026. The entity to receive funding for this project is the City of High Point, North Carolina located at 501 E. Commerce St., High Point, NC 27260. The funding would be used for upgrading the comparator to a new virtualized simulcast prime site, allowing the radio network to remain active for public safety personnel and for partner agencies to coordinate responses via radio. The project is an appropriate use of taxpayer funds because it will provide law enforcement and city officials with quick and efficient communications during emergency situations.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, reading "Addison P. McDowell".
