Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Surveillance Equipment and Technology Upgrades in Fiscal Year 2026. The entity to receive funding for this project is Guilford County Sheriff's Office, located at 400 West Washington Street, Greensboro NC 27401. The funding would be used to upgrade barcode scanners, computer systems, surveillance technology, fingerprint systems, flight navigation, and Real-Time Crime Center technology for the Guilford County Sheriff's Office. The project is an appropriate use of taxpayer funds because it will assist local law enforcement in responding to and preventing crime in the community.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Addison P. McDowell".
